The operation of the Thomson Park Tennis Club is in the hands of a volunteer Executive. Each year we rely on our members to volunteer a little of their time and help clean-up the tennis facility & the surrounding area as we prepare to close down for the current year.

- ® Raking up leaves
- ® Installing wind screens on fences
- ® Install signs
- ® Clearing debris
- ® Installing tennis posts & tennis nets
- ® Cleaning Club House

Even for 1 hour, please help your community
